Monroe,

I'm sorry to say that I don't know much about my family tree. I will tell you what I know. I have 1 sister, 9851 Donna Day & she resides in Plainfield, In. She is 50 yrs of age, I'm 45. I have 2 brothers, 9850 Fred, age 57 & he resides in Greentown, In., 9849 Richard, age 58, & he resides at Westfield, In. Our father, 9847 Russell Lorenzo Oyler was 67 when he died of heart attack in 1972. He had full brothers, 9845 Paul, who died of heart attack approx 10 yrs ago, 9854 Carey, 9869 Glen, & 9867 Lowyre who all reside in Flora, In., & a sister 9856 Eunice Fugett, who resides in Kokomo, In. Dad also had about 5 1/2 brothers & sisters which I can't account for. I think a couple of the boys live in Calif. & 1 of the girls around Burlington, In. Dad had some 1st cousins, 9911 Raymond Oyler (died of cancer about 10 yrs ago) from Ingalls, Kansas, 9909 Harry Oyler, Garden City, Kansas, 9925 Elsie McIntyre, Dodge City, Kansas, & some other cousins around that same area & also eastern Kansas. We still communicate with those mentioned. Dad has other cousins that are from the Roanoke, Rocky Mount, & Burnt Chimney, Virginia area. I have been there a couple of times but its been many yrs ago. I think Dad was born in Idaho & lived in Kansas awhile before coming to Indiana. His fathers name was 9841 John & he died approx. late 50's. I never knew his 9842 mother ~~whom he never~~ as I think she died at a young age & then John married a woman that had about 5 other children (Dads 1/2 bros. & sisters)

& it was my understanding that she was not too w
respected & thus Dad never had too much to do
with his ½ bros. & sisters. My mother remarried
maybe 8 yrs ago to Ralph Peterson & they reside n
Flora. Her name, Lenna Margaret Spitler (-ma
name) & she will be 77 In. 3 days. All Dads bro
were farmers - all retired now. Thats about it
Thanks for the ltr.

dates on Valentine's children?

During the past month we have been fighting floods. This year we didn't have as much damage as last year but we had more water. We were better prepared. Our city is situated 10 miles below The Thistle Mud slide. Last year the side of the canyon slid into the Spanish Fork river and created a dam that flooded the little town of Thistle. This year there were no problems with the mud slide.

We were delighted to receive your letter. I hope you will write and give us more information about you and your family.

Sincerely
David Oyler

BIOGRAPHY OF NANCY OYLER STONE

Nancy Oyler Stone was born February 3, 1863 at a place called Talors Store in Franklin
ty, Virginia, daughter of Ammon and Delila Oyler. Morman missionaries, Elder Boyle from
on, visited the family and they accepted the Gospel and made preparations to come to
in June 1871. Grandmother had a large family. These are the names: Amandy born October
353; Mary S born April 11, 1855; Daniel born October 28, 1856; John born June 14, 1858;
ise born Februaru 9, 1860; Angeline born 23, August 1861; Nancy born 3 February 1863;
hel Valentine born 14 December 1864; Ruth born 19 November 1866; Lucy born 9 December 1869;
rence born 8 April 1871; Emily born 17 November 1873; Ammon born 28 June 1877; Sarah
n 6 December 1878. The first 11 were born in Virginia and the last 3 in Payson, Utah.
re are five buried in the Payson Cemetary. They are one of Uncle Tine's, Grandmother's
n Daniel and daughter Angeline and Lucy, Nancy' Stone's daughter May. Brother Brigg and I (ALMA)
nt to Payson and we did locate the lot and will have some tempory markers put up so they
n be located. When this large family arrived in Payson, they had no, place to go so they
lled on the Bishop and he had them move into the tithing house. They stayed there until
ey found a place. The house still stands. It is located on the south-east part of town
n the canyon road. Mother married in 1879 at the age of 16. They still lived with grand-
other for some time. Then father bought them a home of their own. It is located just across
he road and one block south of Mother's old home. This is where sister Zina was born. ~~9735~~
lother and father had it real hard in those early days. Money was scarce and hard to get.

When father first came to Utah he worked he worked in the timber up Parson canyon
for $1.00 per day. Mother was very ambitious and never would see a dime go to waste. At
one time while father was away she saved and collected bull durham tobacco sacks, washed
and pressed them and used them to make quilt blocks. She put a feather edge stitch on them.
This made a quilt to be proud of and to use it in a home of her own. She soon learned to
take the responsibilities of keeping up a home ~~xxxxxxxxxx~~ always neat and clean. After
living there for some time they moved to Salem on the Clous Bahr farm. It is located in
north part of Salem on the main highway 91. This farm is still owned by George Bahr.
This is where I, Alma Stone, was born on August 7, 1888. The little old shack still stands.
Father run this farm on share crop basis. He stayed here for three years--farming, milking
cows, and mother making butter and selling it for 15¢ per pound. Times were hard and profits
were small so they moved off the farm and went to live with Grandmother Stone in a one
room log house. This made things bad for everybody-- crowdwd and not much to live on. Mother
worked hard trying to help every way she could. She sat up late at nights knitting socks
for all the familt. She kept us all in hand-knit socks. When the feet would wear out she
would cut them off and knit new feet. She also made most of the clothes for the family.
There were four children at that time. They stayed with Grandmother Stone while father
built a 2 room brick house on the northwest corner just below our old home. We moved out of
grandmother's log house into the new brick house, leaving grandmother to live alone. We stayed
there until father decided he wanted more land, then he traded the new brick house to grand/
mother for the south three acres. Then mother and father's family moved back into the little
old log house. They stayed there while father built the nice 4 roomed brick house which was
a pride and joy to all the family. When mother passed away the house was first sold to
Brig's son, Ralph Stone. He kept it only a little while, then sold it out of the family. The
house has been remodeled some, but still stands as a sweet memory of childhood days spent
with father and mother. I must say this house was built the hard way; Father not having much
finance and money hard to get. Father did all the work except the laying of the brick. He
hauled all the rock by horse and wagon from the foothills east of the town for the foundation
and laid it up himself. The only hiring was laying up the brick. He hauled the sand and gravel
by horse and wagon from Payson hills where the Peneck school now stands. He also dug a big
cellar in size 16 ft. square. Dug this big hole by hand and pick and shovel, hauled all the
rock by horse and wagon to line the walls, and laid the rock himself. This made a good cool
cellar. It is still in use for fruit and vegetable storage.

31a

Oh, my, while writing this letter i can't help but stop and think of the hard times our dear parents had, how they struggled and worked. They had no fear of hard work, and t day in this modern day of living, finger tip control; I wonder how many of us would start out to dig a cellar 16 ft. square by hand in these days of modern living. There was no li to mother's ambition. In fruit season she never let any fruit go to waste. In the evening she would sit up late cutting apples, peaches, plums, for drying. She would dry it by the hu reds of pounds. In the fall or winter, father would take the dried fruit and sell or trade it for wheat or flour. This would provide our winter's bread. Father and mother were real gardeners. On this place they had a variety of fruit trees. They also planted a large gar of varieties -melons, tomatoes, strawberries, and all kinds of vegetables. They could almost load a wagon with fruit and vegetables. Father would take a load once a week up to Eurek and sell it for cash. They did well in the summer-time on the returns of the fruit and vegetables. Some-times mother would find it hard to find some-thing in the house to feed u The main dish for supper was cornmeal mush and sorgum instead of sugar. We also had potat soup. Also hot buttermilk biscuts for breakfast. She was good at making dried apple custa pie. Mother used to take the children and go out and glean wheat in the fields. They woul glean enough to feed their chickens all winter.

9697 Father dies on February 22, 1935. This made a big change in mother's life. She lived widow for twelve years, but was able to carry on and do for her-self forsome time. Her pri and joy was a nice yard and pretty flowers. She had a lot of compliments on her nice yard. It was a let down and a heart ache when she could no longer do the work in her flowers.

The time finally came when she no longer could be alone. She went to her son Ammon and Roycie and stayed there for awhile. Then she went to her daughter Zin and Will ~~xHxxxx~~ Hanks in American Fork. She stayed therefor some time. Then she wen to her daughter Eve and Will Gardner in Blackfoot, Idaho. After staying there a while she wanted to come back to Utah, She was not able to go b ck to her own home. So Lucy and I, Alma, brought her here with us and cared for her until she passed away June 20, 1947. We enjoyed having mother with us. Her mind was ~~brixhx~~ bright and alert and she always appreciated what we did for her and never asked for any extra service or care. She passed away quietly and peacefully. This little thought to me adds up my mother's life- Our mother in the home was blessed with the essence of virture, integrety, love, ~~paxx~~ and every other wholesome attribute by exemplary living, thus she became a spiritual power in the home and upon the lives of her children.

This biography was written by her son Alma and Lucy Stone, 30 April 1958 at Spanish Fork, Utah

AMMON OYLER ,JR.

9135 9137

Ammon was born January 28,1876 in Payson,Utah to Ammon and Delilah Oyler. The family moved from Payson to Loa, Utah when Ammon was about 12 years old.

Ammon and his brother Tine and the Griggs boys did a lot of mining especially in the Buckskin Mt., Escalante Mt., and Fish Lake. In Fish Lake they were hunting for the lost Josephine. It was supposed to be a Spanish Gold Mine and hasn't been found yet. Ammon and his comrads mined mostly for gold.

Ammon did a lot of logging. He helped build a lot of homes including his own. He was very handy at anything. He did a lot of carpenter work,farming, etc. His work was always neet and clean, One day Brother Hanks stopped his team in front of the yard and asked if any-one ever drove their teams in that yard. Yes, the yard was used as usual in those days, but Ammon kept it exceptionally clean.He was especially noted in his farming for the straight furrows he made.He was always in demand to stack hay and grain for the neighbors and friends. Everything was always straight and true to form when Ammon did it. He was active in the Church and held the offices of ward teacher, and Mutual Leader (teacher).

Ammon had a two-seated bob-sled and some sleigh bells. These bells are still ~~in~~ in the family and Santa Clauses uses them every Christmas in Loa. Some times, when courting Annie Ernstsen, he would run his team down and then get one of his friend's teams and run them down. He took very good care of his horses. He had 2 gray mares and always kept them as fat as butterballs. He always took a lot of pride in fixing up his harnesses and bridles. He fixed red,white, and blue rings down the reins and white and red tassels on the bridles. No matter when you saw Ammon's team,it looked as though they were decked out for the fourth of July.

Ammon married Delia Palmer on June 14,1901. They had only been married about 10 months when she died in confinment and the baby daughter died also.

Ammon married Annie Erntsen on April 28,1905. They had 13 children, all of which are living at this time. Ammon was a very good man and was exceptionally good to his children and wife. He was a very patient and loving husband and father.As a man he was dark brown hair and blue eyes, stood about 5 feet 10½ inches tall and weighed about 175 pounds.

Ammon's mother and father ~~brought a large flat rock~~ brought a large flat rock with them from Virginia that they used to warm and keep their feet warm. After settling in Loa, this rock was used as a door-step at their little 2 room house. Annie and Ammon lived in one room of the house and Ammon's mother lived in the other room after Ammon's father died. Although this house has been built on to since that time, the rock has always been used as a door-step.It has been used for Annie and Ammon's 13 children and many grandchildren and great-grandchildren.

Ammon had cancer of the rectum about five years before his death, but was bedfast only the last 2 months. Ammon passed away September 21, 1931

They made their home in Payson,Utah, where Tine grew up and married Sarah Kelly. After a few years they moved to Grass Valley and got them a ranch where the Koosheram reservoir is ~~xx~~ now. They had 4 children: Valentine,born December 1, 1888. He died when 8 months old. Ethel born September 8,1890; Very born October 23, 1892;Lester born July 16,1894. Tine and Sarah were divorced and on March 2,1900 he married Olivia Elvira Ernstsen. They had three children that died at birth, then three girls who lived to maturity, They were Carrie, Clara,and Cora.

After spending a few years in Loa they moved to Fruita,Utah bought a ranch in 1911. They spent the nixt 30 years growing fruit. He worked very hard, always in the fields from day light to dark, as long as I can remember. Living where he did,he had the opportunity to meet many people, and to help others in sickness ~~xx~~ or trouble, which he alw ys did willingly and seem glad to be able to do it.

Michel Valentine sold his home in Fruita and moved back to Loa in 1941. There he bought a few acres so he could have a few cows to milk.

He had a foster son, Guy, that ~~rxixx~~ he raised from the time he was three weeks old. Guy has four daughters.

John Orrin Oyler was born in Franklin County, Virginia, 4 June 1858 a son of Ammon and Delilah Turnbull Oyler.

He came to Utah with his parents while yet a small child.

They moved to Southern Utah in the little town of Loa. He went to Payson to work when he was a young man and there he met and married Minerva Jane Bingham. They were married in the Salt Lake Temple.

Four children were born to them while they were still living in Payson. They were - John O., Lazett, Henry, and William Albert. They moved from Payson to Burrville, Southern Utah. Later eight other children were born - Joseph, Clara, Leo, Charles, Nora, LeRoy, Virginia, and LeVera.

He made his living by dairy farming, running a shingle mill and cutting trees for the railroad. He made cheese and butter and sold it to the Hancock Brothers and they would take it to California and sell it. He kept the butter and cheese fresh by storing it in a cellar dug back in the hillside.

The shingle mill was run by horse power. The name of the horse that they used to run the shingle mill was old Pinto. They would also use old Pinto to go up the mountain and help bring the logs back down to the mill. They would bring the logs down to a big cliff, push them down the cliff and then old Pinto would drag them down to the mill. This went on endlessly day after day. Old Pinto was hooked to the sweep and it was the duty of William Albert, one of the sons, to keep him moving. He would go round and round all day long. This motion would make William sick, so he would get off the sweep and instead of whipping old Pinto to keep him going, he would lie down on his vack and throw rocks at him so he would keep moving.

After the logs were taken to the mill they split them into four quarters and stacked them into big steam boxes to make them soft. They were then cut into shingles. The steam boxes were fired with the waste lumber. After the shingles were made they tied them into bundles and sent them to the railroad for shipping.

Later they moved to Axtel, where he bought a farm and there he raised sugar beets and also had swarms of bees. He had a honey extractor and extracted many gallons of honey. He sold honey as well as raising sugar beets.

He moved from Axtel, to East Garland, Utah, where he helped to pioneer that part of the country. He bought eighty acres of ground, cleared off the sage brush and built a new home. It took him, one son and one son-in-law all winter to complete the home.

In the spring, he and his son-in-law Jim Thompson, went down to Axtel, loaded all their belongings into a box car and shipped it to East Garland. He put his wife and part of his family on the train and sent them up to their new home. This home still stands in the same location, now owned by one of the sons.

Jim Thompson and another son Joe brought two wagon loads of hay and farm machinery pulled by four head of horses. There was not room on the box car for all of this. It took them a whole week to make this journey. On the farm in East Garland he raised beets,hay, grain and also planted a fruit orchard.

He had a very beautiful orchard with all varieties of fruit which later brought a nice sum of money. He also grew corn, melons, and all kinds of vegetables. He was always a very good provider for his family and a wonderful farmer.

After they had lived in East Garland for a few years, he bought a two hundred acre dry farm and he and his boys managed this also.

He helped to build Bear River Canal, which furnishes the irrigation water for that part of the country.

There were twelve children in the family - eitht boys and four girls.

After their family was raised, they sold their home in East Garland to their son, John, and they moved to Salt Lake City, Utah. He bought a very nice home and also a lot big enough for some chickens. There he sold eggs to make a living. He decided to move back up to Garland later. He built another nice new home there. He planted fruit trees, had a small garden and grew many beautiful flowers. His home was a credit to him. As usual, very well kept, both inside and out.

He had a very wonderful and faithful wife and mate who stood by his side and labored deligently to help in all this work. They raised a very wonderful family and all were a great credit to them.

They lived in Garland until their deaths. He was 90 years when he died; his wife was ~~90~~86,They died within two weeks of each other. They were both buried in Ogden, Utah. They have a very large posterity.

BRIEF HISTORY OF JOHN ORRIN OYLER

John ~~Orrin~~ Oyler was born in Franklin County, Virginia, 4 June 1855, a son of Ammon and Delilah Turnbull Oyler.
9135 9137

He came to Utah with his parents while yet a small child.

They moved to Southern Utah in the little town of Loa. He went to Payson to work when he was a young man and there he met and married Minerva Jane Bingham. They were married in the Salt Lake Temple
9631

Four children were born to them while they were still living in Payson. They were - John O., Lazett, Henry, and William Albert. They moved from Payson to Burrville, Southern Utah. Later eight other children were born - Joseph, Clara, Leo, Charles, Nora, LeRoy, Virginia, and LeVera.

He made his living by dairy farming, running a shingle mill and cutting trees for the railroad. He made cheese and butter and sold it to the Hancock Brothers and they would take it to California to sell it. He kept the butter and cheese fresh by storing it in a cellar dug back in the hillside.

The shingle mill was run by horse power. The name of the horse that they used to run the shingle mill was old Pinto. They would also use old Pinto to go up the mountain and help bring the logs back down to the mill. They would bring the logs down to a big cliff, push them down the cliff and then old Pinto would drag them down to the mill. This went on endlessly day after day. Old Pinto was hooked to the sweep and it was the duty of William Albert, one of the sons, to keep him moving. He would go round and round all day long. This motion would make William sick, so he would get off the sweep and instead of whipping old Pinto to keep him going, he would lie down on his vack and throw rocks at him so he would keep moving.

After the logs were taken to the mill they split them into four quarters and stacked them into big steam boxes to make them soft. They were then cut into shingles. The steam boxes were fired with the waste lumber. After the shingles were made they tied them into bundles and sent them to the railroad for shipping.

Later they moved to Axtel, where he bought a farm and there he raised sugar beets and also had swarms of bees. He had a honey extractor and extracted many gallons of honey. He sold honey as well as raising sugar beets.

He moved from Axtel, to East Garland, Utah, where he helped to pioneer that part of the country. He bought eighty acres of ground, cleared off the sage brush and built a new home. It took him, one son and one son-in-law all winter to complete the home.

In the spring, he and his son-in-law Jim Thompson, went down to Axtel, loaded all their belongings into a box car and shipped it to East Garland. He put his wife and part of his family on the train and sent them up to their new home. This home still stands in the same location, now owned by one of the sons.

Jim Thompson and another son Joe brought two wagon loads of hay and farm machinery pulled by four head of horses. There was not room on the box car for all of this. It took them a whole week to make this journey. On the farm in East Garland he raised beets, hay, grain and also planted a fruit orchard.

He had a very beautiful orchard with all varieties of fruit which later brought a nice sum of money. He also grew corn, melons, and all kinds of vegetables. He was always a very good provider for his family and a wonderful farmer.

After they had lived in East Garland for a few years; he bought a two hundred acre dry farm and he and his boys managed this also.

He helped to build Bear River Canal, which furnishes the irrigation water for that part of the country.

There were twelve children in the family - eitht boys and four girls.

After their family was raised, they sold their home in East Garland to their son, John, and they moved to Salt Lake City, Utah. He bought a very nice home and also a lot big enough for some chickens. There he sold eggs to make a living. He decided to move back up to Garland later. He built another nice new home there. He planted fruit trees, had a small garden and grew many beautiful flowers. His home was a credit to him. As usual, very well kept; both inside and out.

He had a very wonderful and faithful wife and mate who stood by his side and labored deligently to help in all this work. They raised a very wonderful family and all were a great credit to them.

They lived in Garland until their deaths. He was 92 years when he died; his wife was 90. They died within two weeks of each other. They were both buried in Ogden, Utah. They have a very large posterity.

Dear Monroe -

I recently brought home a box from my Mother's and in it I found this 10 yr old letter - I don't know if Mom has been in contact with you since then - I had noticed a time or 2 that she started letters to you but don't know if she ever sent any to you. In this envelope I found records she had filled out but wonder if she ever sent any to you.

In letter you said you planned to make a book. Did you ever make one? Do you have any extras?

If Mother hasn't been in contact with you, perhaps you don't know Daddy had heart attack Maundy Thurs Mar 31, 1988 about 9:30 AM + by 9:30 P.M. that nite he died. Am enclosing letter I wrote after he died - Mom lives in home in Flora, yet with her sister-in-law (A her brother's widow) and A. Mary does cooking + taking care

On March 11, 1988 Uncle Lowrye Oyler had knee replacement surgery at ome Hospital. On Tuesday March 22-- Daddy went to see U. Lowrye, when he got ere the door to U. L's room was closed with a "knock" sign so Daddy knocked, nurse came up & asked who he was-- he said "Carey Oyler, Lowrye's brother". e asked him if "he was feeling allright?". He said yes, then she put her m across his shoulder & said "I'm afraid I have some bad news for you". st about 10 minutes before as U. L. was up (after eating breakfast) & joking with nurse, he collapsed. He had either heart attack or stroke & was aken to Cardiac Care Unit room 2336. The nurse took Daddy up to his room, addy called Mom. She called me about 9:10 a.m., asked what I was doing fter telling me what Daddy said. She didn't want Daddy to have to drive ome by himself, so I had (my daughter-in-law) Joyce Harter take me down, so I could drive Dad's ar home when he wanted to come. Mother called Rev. John McFarland to tell im. He arrived after I got there. Was about 10:15 to 10:30 a.m. when I got here. Shortly after I got there Dr. Neel came out to talk to us. Daddy & ev. McFarland went in to see U. L. and then a nurse came & said I could go n too, so I did for a few minutes. When I came out I asked nurse whether omeone should call his daughter who lived about a 4 hour drive away over in hio. She said she would call her if it were her family, she felt Jeanette hould be there. I gave her James Bray name & that they lived near Bryan, hio. She said she would call. About this time Pastor Opal came. She was ith Daddy & Rev. McF. while I called Mom to tell her I was there & about . L's condition, while talking to her Ronnie & Linda came. Before they ot in to see U. L., the nurse came & said Jeanette wanted to talk to someone---Ronnie talked to her --telling her they had just gotten there & hadn't een Daddy yet but would call her back soon as seen U. L. & talked to Doctor. bout 12:15 - 12:30 Dad & I went to cafeteria to eat lunch. Visited with illard Myer a bit too. (my cousin an R.N. Renee' Miller) dropped by a bit too. About 3:00 p.m. so Gene & Sharon Bray came by to see if Jeanette had gotten there yet, he got there around 4:00 p.m. while Linda Oyler & I were talking. She had

9854 9867

ne + James are brothers

come by herself as JAMES was on a fishing trip in Arkansas. Daddy & I left & we got to my house about 5:30 p.m. & then Dad had to drive home by himsel On Thur. & Sat. both Mom & Dad went to see U. L. The evening of March 30-- Ronnie came to U. Glenn's 9869? & told them "they were to remove life support from U. L. & he wanted Mom, Dad, U. Glenn & A. Mary to come & be with he & Linda. They told him "yes, they would come". Thursday morn U. Glenns got t hospital befor Mom & DAd. Daddy let Mom off at entrance & went to park the car. When they got to waiting room, Daddy asked Mom if "she had a nitroglycerine pill "He told me. His chest pain was bad." because he was feeling some chest pain". She gave him one, put it under his tongue, he kinda lay his head back & made a snorting sound. A. Mary said for a split-second she thought he was teasing but then realized what was happening & she yelled" We need help" & yelled it again & someone came & helped get Daddy down on floor then got U. Glens & Mom in small room & someone yelled "Code blue", Bonnie was coming down the hall when nurses came from nursing station & to get equipment. She got to end of hall & A. Mary looked up & said "It's your daddy". The nurses were working with him & got him to breathing on his own (by C P R) before putting him on gurney & taking him to room across the hall from U. Lowrye. Bonnie Lou called me at Around 9:45 AM & I hurriedly dressed & left. Karen & Carey were here. I left here after leaving a list of persons for her to call. Told her I'd be home whene ---- Got to hospital about 11:00 a.m. Went right in to see Mother & Bonnie, & U. Glenns. Pastor Opal arrived soon after. Dr Neel came out and said "th were going to put in a pacemaker", to help Daddy's heart. We Pastor Opal, Mom, Bonnie, & I went to see Daddy at noon after they put in pacemaker & then Renee' joined us & we went to cafeteria to eat. Daddy knew and talked to us when we were in there. Back to waiting room after lunch. U. Glenn's had chiropactor app't at Logansport at 2 p.m. so they left at noon. We went back in to see Daddy after lunch & he knew us then too & talked a bit. About 2:00-2:30 Bonnie called Bob Hunt's, Bob wasn't home but talked to Karen & later as we were in again seeing Daddy, Pastor Opal came back to tell us Karen Hunt was out in waiting room. Bonnie had called home & told

ward she would be home around 4 p.m.soshe went in to tell Daddy she was
ing home awhile. Pastor Opal & I talked about whether Mom should go home.
decided we would go home so we could get ready for communion & Pastor
al would stay until 5:30 p.m. then come straight to church for communion.
brought Mom home & got to my house by 5:30 p.m. Karen & Gene had ordered
zza for supper. I got ready for communion- went on over few minutes--came
ck to pick up Karen-- John & Sara stayed with Carey while we at communion.
called A. Norma & they went to stay with Mom during communion-- When we got
ck to church Opal met me at door & asked if I wanted to stay or go back
hospital. She said " Daddy was sinking, his condition was deteriating ".
told her I would think about it, She told me that it would help me that
e would be going back to hospital soon as communion was over. I decided to
ay for communion & go soon as it was over. I told Opal I'd meet her at Mom's.
came home to change clothes & just as I was taking off my skirt & blouse
bal called & said Betty (somebody) called from Mom's & they'd called from
spital & U. David's took Mom back to hospital as Daddy was worse. Opal
me by in less than 5 minutes to pick me up to go to hosp. When we got there
nee' Miller(Mom's niece-graduate nurse) met me in hallway & said" if you
ant to see your daddy, hurry!". We ran down hall to his room & I got to
ee him but he didn't know anything. I went back to room to see Mom & U.

avid's, A. Eunice,Maxine Sprinkle (she brought A. Eunice to hospital).
. E. had gotten to hospital about 4:45 p.m. & had gone in to see Daddy,
hile Opal was still there. Sara, & Dale Orem, Ed, Jane, Jason, & Darin
yler were there too. In just a few minutes Dr. Neel, Renee', Pastor Opal
ame to talk to us---Dr. said the "end was near---probably within the hour
ut before midnite". He said Daddy was drawing "agonal breaths". Dr. Neel
sked how Mom was doing? We said as good as she could under the circum-
tances. Dr., Opal, Renee' went back in room---Dr. made same statement
bout how long Daddy might live-- when Daddy drew one long breath & was
one. They came out to tell us he was gone. U. David started making phone
alls. I called home to tell Karen & Gene. We were waiting on Bonnie to get

69a there. Finally she, Howard, & Joyce got there. Bonnie & Howard went in to see Daddy. Pastor Opal called Harold to tell him about Daddy & that she was taking Mom & I back to Mom's. We got to Mom's about 11:30 p.m. Renee' stayed at hospital waiting on (Karen's husband) Doug to come from Michigan City. He got there about 11:45 p.m. I stayed with Mom all night. When Opal brought us to Mom's, Junior & Doris Maxwell was there waiting for us. They came in for a bit. Opal left. Was about midnight when Mom & I went to bed. About 3:30 a.m., I woke up, heard a noise & got up. Mom was puttering around the kitchen & after a few minutes we went back to bed. Got up about 7:00- 7:30 a.m. U. Glenns 9869 ? & Gene 9888 ? came, later on Bonnie, Joyce & Jackie came up. Myrna Eikenberry & Betty 9892 Hufford came. They changed sheets on bed in front bedroom & moved stuff from bedroom out in garage. Bonnie's girls cleaned out refrigerator & cleaned up & picked up things around kitchen & dining room. I came home about noon & went back about 4 p.m. Some family came over for supper. Nancy Lynn had brought A. Eunice 9856 over. She stayed with Mom Fri, Sat, Sun nites. Bonnie stayed Mon. nite, Karen & Carey stayed Tuesday nite. Wed. nite, after blowing most of day, electricity went off so when Bonnie & Howard were getting ready to go home they brought Mom out here to spend the nite. Back to Friday----

apr 1-1988

Betty Edging & Iva Barnhart came Friday & brought food & help do anything they could & help with dinner for those there. Marge Scholl came Friday too. Saturday Karen Stewart brought ham & Macaroni & cheese, plus Friday & Sat - day so much food was brought in, we almost didn't have refrigerator room for the food that needed refrigerated.

Saturday I went over mid-morning to do whatever I could. In afternoon James & Jeanette Bray came by. They were coming from hospital, where they had moved Uncle Lowrye from C C U to Progressive care room earlier that morning. Donna Day came in the morning. Were several there for dinner.

9898 9899 a Lenna & Donna Day Came

In afternoon Jane & Dick Harness, Sam & Barbara Chambers from Missouri and 9897 Harry Oyler from Texas came in. We visited & took bunch pictures. Was rather late when everyone left. We did get call from Someone who told us Kenneth, Dortha, Esther & Rebecca were at Joe Blockers & would see us Sunday.

Sunday morning I got up early & went over to Mom's at 7:30 a.m. to start seeing what needed done to get ready for dinner. Mary Whitfield came over about 11:30 a.m. to help with dinner. I went to church & soon as it was over I stopped by home to get Gene & went on to Mother's to get things started for dinner. Had no idea how many would be there for dinner. Nancy & Jim Rumbaugh went to airport at Indianapolis to pick up Charlie & Marlene Proctor who were coming in from Texas, about 10:00 a.m. Turned out to be 34 there for dinner. As we were eating & getting ready to go to funeral home we got a nice rain shower. It was 2:30 p.m. when we all left to go to funeral home. Calling was after 3:00 p.m. till ------.Was about 9:30 when we got home.

apr 4-1988 -

Monday morning, we went to funeral home for short prayer service then followed Jim Sullivan as he took Daddy out to church. After funeral, church ladies served dinner to over 100 family & friends plus lots of help. After dinner , visited & took lots pictures. Mom started getting weak & not remembering too well, we called Dr. Langston & took her over to office. Dr. thought she was just in need of rest & quiet, so we took her on home so she could rest. Opal & Harold had come with us to Dr. office & on home.

Bonnie stayed Monday night with Mom. Tuesday morn I went over to Mom's, we just talked I guess, maybe looked at cards. I came home before noon then Mom & Bonnie came out to cemetery, picked me up. When we came back they dropped me off then went to Jeff & Joyce's. About 2 p.m. they came back here with car back seat & trunk all filled with boxes of things of Mom's. Let me have my sheet music & other stuff. I went back to Mom's & we looked thru the box of pictures she'd brought from Jeff's. They were old pictures, plus we found the black & white negatives to lots of Mothers pictures taken after 1932. Karen & Carey went over to stay all night with Mother Tuesday night. 9855? Mother called me Wednesday morn to tell me that U. 9867 Lowrye had died about 4:10 a.m. April 6th.

Thursday morn I took Mom home, after she'd spent the night here due to power off in Flora (see page 4). I went on to Kokomo to get groceries after I let Mother off. Thursday evening 9896 Kenneth, 36424 Dortha, Esther, & Rebecca Oyler were back here. They had left Tuesday morn to go back to Penna. & got home about 6:30 p.m. & they were back here by 6:30p.m. Thur. They went to Mother's and Esther & Rebecca stayed with Mom that night. Kenny Jr. & Lenora brought Ken Sr.'s back to Indiana for U. Lowrye's funeral

Friday we let Karen have our car so she & Carey could spend the day with Dort Hildebrandt & Doug's folks. At 3:00 p.m. Gene & I went to funeral home, 9888? Gene stayed a while then he came home to eat supper & rest as he had to go to work that night. Karen, Carey & I came home about 8:30 p.m. 9896 Kenneth & 36424 Dortha stayed at Mom's house Friday & Saturday nites. Dortha got to feeling bad at funeral home so Kenneth took her to Moms & he came back to funeral home. Mom did come to funeral home.

Saturday April 9th, 1988. I got up early, went over to church to clean, then over to Mother's. She was up but Dortha was still asleep. Home to get ready for the funeral. Katherine had gotten sitter for her kids & she was here. She did my hair. I went on to church. Karen, Carey, Katherine came a bit later. John & Sara too and we all sat together, then to cemetery & back to church for dinner. Kenneth went to get MOther & Dortha, but Dortha not feeling good so --he took dinner back to them. After dinner & visiting awhile-- we went ack to Mother's. Kenneth Jr., Lenora, their son John & his girlfriend Rachel Long, Esther & Rebecca were there too. John Oyler had an accident at his work on April 5, '88 & he severed his ring finger on his right hand. The Drs. re-attached the finger. John & Rachel left for North Manchester. We took some pictures then Ken Jr., Lenora, Esther & Rebecca left to go to John's at N. Manchester.

Dear Ursel and Carey

Thank you for the call recently inviting me to attend your family reunion in July. I hope to attend, but I may not come over until Sunday morning, as I have an obligation here in Decatur Saturday July 17, and since you are not over 120 or 130 miles from Decatur I will plan to attend just on Sunday, so please tell me about what to bring in way of eats, and what else you would want. Of course I will bring all the information I have on the Oyler family.

I received a letter from 9971 Lewis Oyler of Marion Ind yesterday, and I am enclosing a copy of the letter I wrote him, he was inviting me to their family reunion up North of you this coming Sunday June 13, and I can not attend. I am enclosing a copy of the anmes of Oylers who have been host at their reunions for the past several years. Lewis is a older brother of the Rev Myron Oyler 9975 I told you about on the phone.

This family are descendants of 9955 Lewis Oyler born about 1798 or 1800 at Franklin Co Va, the son of Valentine and Mary Molly Arndt Oyler. Leiws was the next to the last child born in the family, Abram 10127 was the youngest.

It would sure be nice if you could get some of them to attend your reunion on July 18 that we we could all compare notes about our family.

I am enclosing family group sheets starting with 9955 Lewis Oyler born in Franklin C Va runing up through Lewis R Oyler of Marion Ind born 1920 so you can add to your files.

I am also enclosing my own group of family sheets starting back with Conrad Oyler as #1 family and ending with me William Monroe Oyler born 1914 as family group # 8, so you can add these to your files too.

How many do you generally have attend your reunion, do you have your group pictures made, what do you do at the actual reunion, if you can drop me a note and tell me.

Sincerely

W. Monroe Oyler

He was called to eternity just 4 days previous to her, so we hope they are together where they need never part. Ezra was a good boy and loved by all who knew him. He leaves father, 5 brothers, 1 sister, grandfather and grandmother and many relatives. There was no funeral services. He was laid to rest in Pleasant Hill Cemetery. Then nestle your hand in your Father's, and sing if you can, as you go. Your song may cheer someone behind you, whose courage is sinking low.

PARTING

The deepest sorrow fills our heart
To see our loved ones perish,
But soon or late we all must part
With those we fondly cherish.

The tie must break with friend and friend,
The true and noble-hearted
Must one day reach their journey's end,
To join the dear departed.

Why mourn we, then, for those who cross
The intervening river?
Although to us a heavy loss,
To them is joy forever.

Dear Mr. Oyler:

I was very pleased to receive your letter this week. Where did you come up with my name? In your brief pedigree; I find some interesting things but it also brings up questions. Yes, I am a descendant of 9133 Daniel Oyler born ~~at~~ about 1792 Franklin Viriginia and Died 5 Nov. 1852 Franklin, Viriginia. As you point out he was a brother of your 8687 Frederick Oyler 1785. I would appreciate any family group sheets you have for any and all of your family line - I would be happy to pay to have them duplicated, or any records you have which show proof of names dates birth + deaths etc would be appreciated. One of the problems I see way back is that according to information I got from the mormon Pioneer Genealogy Society, P.O. Box 11488, SLC. Utah 84147 they have Valentine Sr. and Conrad's last name being spelled Eyler so I was interested in your spelling it Oyler. It doesn't clear up which is right because ~~they~~ I didn't see any records of proof from them. There are a lot of Oylers in these parts if you would like more contacts - Thank You

Dick L. Oyler

Dear Mr. Oyler:

Enclosed you will find a Oyler's Genealogy chart about the Oylers that I have been working on for some time. Hope it will help you out. From what I can make out we have some ancestor that are kin. The Valentine Jr. that married Mary Mr. Arndt, but I have his name as Valentine II instead of junior.

I have been reading a book by Dr. John Gilbert Eiler, D.D.S., Medical Arts Square, Suite 7, Albuquerque, New Mexico. The title of the book is

The Eiler, Eilar, Eyler, Iler, Ayler and associated Families. I sure learned a lot from the book. The book I read belong to my aunt.

This portion of the Oyler family tree is supplied by Cleo grigg Johnson Gilchrist, of BoiseIdaho, Cleo had written an excellent book"Five Steps of Mormanism" that tells aout the Oyler family, and the Turnbull family.

I am enclosing here correspondance from Cleo on the research she had had done in Maar Germany, her story about theTurnbull, and the Oyler family in her line.

Also enclosed is a letter from Germany on the research she had done, written in german.

Family group sheets from Daniel Oyler born in Franklin co Virginia 1792, brother of my great-great grandfather Frederick Oyler.

Cleo's address is 6810 Holiday Drive, Boise Idaho 83709

CLEO GRIGG JOHNSON GILCHRIST

Genealogist

9 November 1980

My dear Cousins Monroe and Earl:

So ashamed that I have not answered your letter, Monroe, and thanks you for the enclosures which I am happy to have. I really appreciate Earle singing and Monroe's music composi.

I really enjoy the picture of you both too. It is so good to get to know you both.

I have spent the last three months compiling the Grigg history 340 years from our immigrant ancestor of Virginia, William Grigg I, I plan to publish it next month. This covers 33 years research and 12 generations of Grigg families.

Here is the dates I have on Conrad Euler, and of Communicants Euyler.

Conrad Euler born 16 July 1675, son of Michael E.
Conrad Euler married 18 February 1698 Anna Catharina F.
Conrad Euler maried 20 March 1702 Anna Catharina Helffen
Eva Euler Ch. 22 Jan 1711 to Conrad Euler.
Anna Margartha Euler b. 22 July 1721 to Conrad Euler

I have a Conrad Euler md 18 July 1687 to Eliz Eifferth. to young to be the Conrad above? prob. bro

Valentin Euler born 14 August 1674 to Johann Henr Euler.

The place of the above records was Lauterbach, Pa of Mr. Hesse, Germany. The dates are right,

6810 Holiday Drive • Boise, Idaho 83709 • (208) 375-7266

over)

to be our Ancestor. I don't know if the women were both his wives or not. Looks like there may be 2 Conrad Eulers in the Parish about the same generation?

Tell Earl that there have been a number of Mormon Bishops in the Mormon branch of the Oyler family in the vicinity of Brigham City, and Tremonton, Utah. One I can name right now was Leland Oyler of North Highland, near Sacramento, Calif. He would be my grandmother Amanda Catherine Oyler Griggs nephew.

9743

Well, thanks again for writing and for the pictures & music. You sent me a very lovely Oyler Pedigree that some one in Franklin County Virginia worked out. I note they had the wrong date for Conrads birth as it really was 16 July 1675 to Michael Oyler.

I am glad to hear about your painting. It looks like you do a pretty good job of it. I am eager to finish my book so I can get back to painting.

Sincerely
G. Leo

Marshall Wingfield in his collection of histories of the records of Franklin County, Virginia, mentions George Turnbull,'Gentleman' frequently. He is found in the records from 1786 when the county was formed until his death in 1807.

Wingfield states that George was a trustee of the City of Petersburg, Virginia, in 1762. I have record of James Turnbull,Merchant, decd., of the City of Petersburg,but late of Philidelphia, who sold in his life time to William Grigg for 900 pounds property on first street,recorded in the County of Dinwiddie 28 July 1785. A Charles Turnbull was deeded 22. acres in Dinwiddie County 22 October 1757

The earliest record of George Turnbull,Gentleman, in Franklin County, Virginia was February 1786 when the Court appointed him Surveyor of Road from Magotty Creek to Gills Creek . A land deed was recorded 6 October 1786 to George Turnbull from John Shea. George was an 1786 taxpayer as was John Grigg. George Turnbull,Gentleman, was appointed Comissioner of the Peace,March 1786 and was appointed Lieutenantof the Militia in August of that year. He appears to have been prominent in the organization of Franklin County, Va.

In September 1786, George Turnbull was recommended to the Governor as a proper person to serve on the Commission of Peace. At the December Court he refused to serve as a Lieutenant in Captain Rentfro's company of Militia. This may have been because he was called to serve as a Justice of the Peace, Justice of Oyer and Terminner (Criminal Court) and Justice in Chancery. George Turnbull, Gentleman, took the Oath of Office to the Commanwealth 7 February 1787. He served well in this office, never missing a court session until his death in 1807. He was a trustee of Germantown and his brother, William, was trustee of Wisenburgh in 1792 extinct towns of Franklin County, Virginia.

02 George Turnbull's will was dated 4 December, and probated 7 December 1807--evidently a deathbed will. It was recorded 4 January 1808. In the will his wife, Abagail, is to have the 18 Negroes, all livestock, lands and furniture, etc. At her death the Negroes are to go to his 5 daughters not named. His son, Lewis, was to have all the land and to pay his brother William $1,000 in 3 years after the death of their father. At a June court in 1814 the Negroes were divided into 5 lots and sold, and each daughter, still not named tho the negroes were, received $1,166.66 2/3. The division of this estate was recorded 4 July 1814. Lewis Turnbull was ~~the~~ executor. This indicates the mother, Abagail, died 1814. (The daughter's names were: Sally, Elizabeth, Susannah, Kitty, and Milla.

Col. Lewis Turnbull was Franklin County Representative in the Virginia House of Delegates 1814-16 and 1817-19. His daughter, Sarah, married William Augustine Bothurst Cole Claibourne, 22 October 1828. It is said that Sarah's grandparents escaped from France during the Revolution in 2 large kettles slung across the back of a pack mule. Was it her Turnbull grandparents or her mother's parents?

An inventory of Lewis Turnbull's estate was taken 17 May 1849. And an account was given 3 June 1850, in which a list of 13 Negroes worth $7,950.15, The total with other things was $8,476. He had 1575 acres of land on Magotty Creek and Elliot Creek which was divided in 10 lots and each heir is named in this division December 1849. They were William, Lewis H., Hay, George, James, Sarah and William Claibourne, Edward C., Thaduis C. Ferguson and wife, Jabez, and the heirs of Steven. Steven had died in August 1849.

My great grandmother, Delilah Emily Turnbull, gave Jabe Turnbull as her father and Mary Snyder as her mother, when she was married in the Temple (EH) in 1871. It is believed that Delilah's mother died when she was young and that Delilah was reared by the Altic family. The 1840 Census of Franklin County, Virginia, lists Jabez Turnbull as under age 40 and over 30 with 1 male between 20 and 30 living with him--probably a younger brother. David Snyder, a neighbor died before 9 December 1811, leaving a family of young children one of whom may be our great-great-grandmother, Mary Snyder.

Magotty Creek runs out of the Blue Ridge Mts. and empties into the Blackwater River. Over the ridge east was the Oyler plantation on Gill's Creek which emptied into the Blackwater, too. It would be interesting to know the romances of the Turnbull- Snyder and Oyler-Crooks of the BlueRidge Mountains of Virginia.

THE MOST UNFORGETTABLE CHARACTER I'VE MET

CLEO GRIGG JOHNSON 9310

My earliest memory of my grandmother, Amanda 9140 Oyler Grigg, is of her sitting in a low nursery rocker in the dim light of a kerosene lamp. A newborn babe was on her lap and two or three tiny tots were gathered around her knee--watching as she bathed and dressed the little new arrival, in this case my sister, 9353 Merry, who was born early Christmas morning 1910.

Grandmother took great joy in this first washing and dressing of a new born infant. She was tender and careful and made sure the navel cord was just so; that a belly band was snugly in place. A tiny shirt was next, then a diaper. A "pinning blanket" was fastened around the baby's middle and folded up over the tiny feet to keep them warm, then the nightgown and last a wrapping blanket was swaddled around the squirming babe. All the while, in answer to our many questions about where the baby came from, she would regale us with fascinating stories of how the Lord had sent the baby from heaven and the doctor had brought it in his little black satchel as a special blessing to us.

My grandmother, 9140 Amanda, was in the heighth of her glory when she saw one of her four sons or five sons-inlaw coming in a cloud of dust,

or through deep mud or a snowblizzard, driving the team lickity-split toward her home. She knew they were coming for her and a new grandchild was about to be born. She had her bag well packed in advance with the necessities such as carbolic acid,consecrated olive oil, caster oil, cotton, gauze, safty-pins, scissors and things ready for any emergency. Of the hundreds of babies she delivered she never lost a mother or a child. Amanda was on hand at the birth of nearly all of her sixty-eight grandchildren and many of her great-grandchildren.

She always spent ten days in the home of each new arrival. She cooked up good things for the family and prepared delicacies for the new mother, humored the new father, tended the new baby and comforted and amused the older children.

Amanda was a tiny person, full of "know how", thrift and energy. Nothing ever went to waste in her home. Flour sacks were bleached and hemstitched together in fours or sixes to make lovely snow white luncheon or table cloths hand fringed around the edges. She saved flour sacks and dyed them a pretty rose or blue or green color to use as linings for the many crazy quilts she pieced by hands from scraps of lovely sprigued calico and percale.

As a young girl, I spent a great deal of time in the home of my grandmother, Amanda Oyler Grigg. I was an avid listener to her stories of her birth in 1853 on a tobacco plantation in Franklin County, Virginia. I loved to hear her tell of her Pennsylvania Dutch parents, and of the darkies on the place, and of her sheltered life until the War of the Rebellion came and ruined it all. Her father, Ammon Oyler, and brothers

fought for the South and lost everything they had to boot. The youngest brother, Michael Valentine Oyler, was killed in the first battle of Bull Run.

When grandmother would tell of her meeting President Abraham Lincoln and of what a fine man he was I really admired her for her experience.

I always looked at her in awe, when she related the story of her conversion to the Church of Jesus Christ of Latter-Day Saints by the Mormon missionaries, and of how she was reviled and spit upon by her friends and neighbors for joining such an unpopular church. But nothing could shake her faith in the true gospel of Jesus Christ, and when a mob gathered to persecute the missionaries, she helped them to escape into the woods.

Amanda migrated to Utah in 1870 with her father's family where she met and married the handsome Parley 9141 Mormon Grigg, who was also a convert to the church. In fact he had been baptized in Stokes County, North Carolina by the same Elder Henry Boyle who had baptized Amanda and her family.

Amanda and Parley suffered every hardship known to mankind in rearing their large family and pioneering their homes out of the rough - first in Payson, Utah, then in Wayne County, Utah, and later near LaGrande, Oregon. Their final home wasin Nampa, Idaho.

Grandmother was a fine cook - southern style. She learned the art from her good mother, Delilah, who among other things, taught Amanda how to utilize the large pans of skimmed milk by making Dutch cheese. The milk was allowed to clabber at room temperature and then heated slowly on the back of the kitchen range until the whey separated from the curd. This

Grandmother was a fine cook - southern style. She learned the art from her good mother, Delilah, who among other things, taught Amanda how to utilize the large pans of skimmed milk by making Dutch cheese. The milk was allowed to clabber at room temperature and then heated slowly on the back of the kitchen range until the whey separated from the curd. This

mixture was poured into clean-washed ten pound size muslin sugar sacks and hung out on the clothsline to drip-dry.

This cheese was the most delicious dish imaginable when seasoned with a bit of salt, covered with rich cream and sprinkled lightly with pepper. Great-grandmother Delilah had the habit of working salt, pepper and butter into Dutch cheese and then forming it into little balls which she served to her various grandchildren when they came to call. Very good.

My fondest memories are of grandma's kitchen. She kept big loaves of home-made bread on a shelf in the in the old brown-painted wooden flour bin that stood in the corner behind the door. Nothing smelled better or spicier than this bin, or tasted better to a famished child, than a thick slice of that bread spread with fresh churned butter and some of her famous peach preserves or strawberry sunshine jam. She was a master hand at baking custard pies, cooking green beans or cabbage with home cured bacon, making coldslaw, chow-chow, wilted lettuce, gooseberry jam, or green or ripe tomato preserves.

Is it any wonder that these grandparents and great-grandparents lived to such a healthy, ripe old age, surviving epidemics and illnesses of all kinds? They lived by the sweat of their face upon natural foods fresh from their own land and from the cow, the chicken and the bee. They never heard of packaged, processed, adulterated devitamined food as we have it today.

My grandmother taught me many things about the gospel of Jesus Christ and about the modern prophet, Joseph Smith. I've seen her stand up in meeting in her only black silk dress, with her china blue eyes that could look right down into one's heart and soul flashing, and bear strong testi-

mony of the divinity of Jesus Christ, and even speak in tongues.

Amanda's husband, Parley was on the first High Council of the Stake of Zion in Wayne County, Utah. They entertained the General Authorities from Salt Lake City with their good food at Stake Conference time. If Amanda ran short of a clean white table cloth she could depend on her mother, Delilah, to have a gleaming white one to lend her. Apostle Francis M. Lyman shared her meals many times as did J. Golden Kimball, Matthew Cowley, John Henry Smith and Heber J. Grant who later became president of this great church. Once when Dr. Seymour B. Young was the visiting authority he prescribed and administered to Parley, Jr. who was suffering with typhoid fever. James H. Talmadge visited their home and Amanda quoted his teachings until her dying day. She knew Brigham Young, and Daniel H. Wells sealed her marriage for time and all eternity.

Grandmother believed that the measure of a woman's creation was to bear children to her God and her Country. She certainly did her part as she had a posterity of about four hundred only one hundred and five years from the date of her own birth.

My grandmother, Amanda, had no use for the pompous hypocrite. She had a deep insight into human nature and could discern an imposter at once. She cautioned me ever to beware of the flattering tongue, the braggert, and the betrayer of innocence. This wise counsel served me well many times. Whenever it went unheeded, I found myself in hot water up to my neck.

On the other hand, grandmother warned me that "beauty was only skin deep" and that "pretty was as pretty does." She taught me that the beauty of Action and the sincerity of soul were far more priceless than vulgar surface show. I loved her very much and I feel her influence upon my life even yet. She held that peculiar power that swayed people to do right.

THE TURNBULL-OYLER CONNECTION

Lieutenant George Turnbull is listed as a Patriot of the American Revolution by the DAR. Marshall Wingfield mentions George Turnbull, Gentleman, 41 times in *An Old Virginia Court* a history of Franklin County. George Turnbull is found in the records from 1786 until his death in 1807 there.

Wingfield states that George Turnbull was a trustee of the City of Petersburg, Virginia in 1762. I have record of James Turnbull, Merchant, dec'd. of that city, but late of Philidelphia, who sold in his lifetime to William Grigg (V?) for 900 pounds property on First Street. This was recorded in the County of Dinwiddie 28 July 1785. A Charles Turnbull was deeded 22 acres in Dinwiddie County, Virginia, 22 October 1757.

The first record of George Turnbull, Gentleman, in Franklin County was February 1786 when the Court appointed him Surveyer of Roads from Magotty Creek to Gill's Creek, (the Oyler plantion). A land deed was recorded to him 6 October 1786 from John Shea. George was a 1787 tax payer as was John Grigg. George Turnbull, Gentleman, was appointed Comissioner of the Peace in March 1786. He was appointed Lieutenant of the Militia in August of that year. He appears to have been prominant in the organization of the new county.

In September 1786 he was recommended to the Governor as a proper person to serve on the Commission of Peace. At the December Court he refused to serve as a lieutenant in Captain Rentfro's Company of Militia. This may have been because he was called to serve as a Justice of the Peace, Justice of Oyer and Terminner (criminal court) and Justice of Chancery. George Turnbull, Gentleman, took the Oath of Office to the Commanwealth on 7 February 1787. He served well in this office never missing a court session the 20 years until his death in 1807. He was a trustee of Germantown and his brother, William, was trustee of Wisenburgh in 1792, extinct towns of Franklin County.

138 George Turnbull's will was dated 4 September and probated the 7 September 1807-- evidently a death bed will. It was recorded on the 4 January 1808. He deeded his wife, Abagail, the 18 Negroes, all livestock, lands and
139 furniture, etc. At her death the Negroes were to goto his 5 daughters. His son, Lewis, to have all the land and pay his son, William, $1000 within 3 years after the death of their father. At a June Court in 1814 the Negroes were divided into 5 lots and sold. Each daughter received $1,166.66. The division of this estate was recorded on the 4 July 1814. This would indicate that the mother, Abagail, died in 1814. Lewis Turnbull was the executor. The daughters were: Sally md. 21 July 1797 Joseph Hale, Elizabeth md. 2 January 1803, John Sample, Susannah md. 9 February 1804 Richard Britton, Kitty md. 6 August 1807 Edmond Tate, and Milla md. 21 November 1812 William Cahill.

Colonel Lewis Turnbull was Franklin County Representative in the Virginia House of Delegates for the years of 1814-16 and 1817-19. His daughter, Sarah md. 22 October 1828 William Augustine Bothurst Cole Claibourne. Sarah claimed that her grandparents escaped from France during the French Revolution in 2 large kettles slung across the back of a pack mule. Was it her Turnbull Grandparents or her mother'sparents?

Lewis Turnbull married 5 October 1801 Abeah Taylor. They lived on a fifteen hundred acre plantation on Magotty Creek with 13 Slaves. They were parents of eight sons, William, Jabez L., Edward C., George, Hay, Stephen, James, and Lewis H., and two daughters Sarah D., and Alean.

Colonel Lewis Turnbull commanded the 43rd Regiment of the Virginia Militia in the war with Great Britian declared in 1812. Ensign John Oyler and Private Fredrick Oyler sons of Valentine Oyler II were in this regiment.

On 30 September 1831 Colonel Turnbull made his will.(book 13 page 241-42) His son, Jabez L. Turnbull was a witness.Jabez recorded this will 3 October 1831. This indicates that Lewis died between those dates.

The 1840 census for Franklin Co., Va. lists Abeah Turnbull under 60 years as head of the household with four males between 17 and 35, and a female child under 5 years. William Turbull is listed with age under 40 plus one male under 20 (brother?) and three females between 30, 50 and 60. Jabez L. Turnbull age under 40 as head of household with one male between 20 and 30. (brother?) This acounts for the eight Turnbull brothers. The girls were married but no children. The 5 year old girl living with Abeah can only be Delilah Emily daughter of Jabez L. Turnbull, a widower? Abeah Turnbull died in 1849 as the 1575 acre plantation was divided among the ten heirs in December 1849. (Book 9 pages 53-56) The Negroes and personal things were sold for $8476 3 June 1850.(book 7 page 167).

Thus Delilah was left alone at the age of 14. Jabez L. Turnbull was in business in Rockymount in 1850 but is not mentioned in Franklin County after that. It is said Delilah lived with the Altic family until she married 15 December 1852 as Delilah Altic to Ammon Oyler whose wife,Susan Dillon, had died in 1851.

Ammon and Delilah worked their plantion with negro help. They endured great losses and hardships during the civil war and afterwards. In 1870 they were converted to the Church of Jesus Christ of Latter-day Saints by the Mormon Missionaries. In June 1871 they migrated to Utah where they had their marriage seald for all eternity in the Temple (EH), 30 October 1871. Delilah named her parents as Jabe Turnbull and Mary Snyder at this sacred occasion upon which she would be impeled to give her true parentage. She was listed as Delilah Turnbull in the Payson, Utah Ward records as the wife of Ammon Oyler until they moved to Wayne County, Utah in the 1880s.

Ammon and Delilah were faithful members of the church. They had family prayers morning and evening. She spent hours by the window reading the scriptures. She was known through out Wayne County for her fine cooking skills, and for her many good works. She was born 11 March 1835 and died 18 May 1911 age 76. They were parents of 10 girls and 4 boys.

Ammon oyler was a born farmer from the Pennsylvania Dutch (German) ancestry. He was the son of Daniel who was the son of Valentine II who was the son of Valentine I who was the son of Conrad Oyler, Iller, Eular, emigrant from Hesse, Germany to Philadelphia where he signed the Oath of Allegiance 15 September 1729.

Ammon was born 22 January 1820 in Franklin County, Virginia and died 5 August 1905 age 83, in Loa, Wayne County, Utah. His eldest daughter, Amanda married 20 June 1871 Parley Mormon Grigg in Payson, Utah.

*AMMON ANDERSON GRIGG

We quote the following obituary for Ammon Anderson Grigg, born 2 August 1880 -- died 12 March 1965:

Ammon Anderson Grigg was born in Payson, Utah County, Utah to Parley Mormon Grigg, Sr. and Amanda Catherine Oyler Grigg. When he was six years old he moved with his family to Loa, Wayne County, Utah. In 1902 he again moved with his family, this time to Cove, Union County, Oregon. He attended schools in Loa, and the Ephraim (or Snow) Academy in Utah.

He married his Utah sweetheart, Mary "Maida" Pratt Gardner on 7 July 1904. They moved from Oregon to Nampa, Canyon County, Idaho in April 1909. Ammon took up farming there. In March 1917 they moved to Kuna, Ada County, Idaho, where he farmed until 1932. They traveled around (California) until 1936, when they retired in Kuna, Idaho.

Ammon cared not for pomp and circumstance, but preferred the simple and retiring life. He loved beauty and had a declicate, discerning spirit. He loved the mountains, streams and forests. He loved the wild flowers and knew the name of every one and where it grew. He did not have the rugged, brutal strength it takes to succeed materially in the modern, competitive world of this age (1965). He was too sensitive to the feelings of others.

He had the gift of healing the sick by the power he held as an Elder in the Church of Jesus Christ of Latter-day Saints. He administered to his wife and children whenever they were very ill. Then he would say, "You are healed." And they would be.

As he lay dying, Ammon saw a vision of the wickedness upon this earth at the present time. It was as if he were above the earth and could see all of it. He said, "The wickedness upon the earth is so terrible that I can't stand to look at it. It is mostly caused by liquor. I plead with you to warn my children, grandchildren, and all my

descendants against ever letting the use of liquor in any form come into their lives. It will bring nothing but sorrow and unhappiness into their lives. O, promise me you will warn them." He then covered his head in his pillow and cried, "Cover me up, cover me up so deep that I needn't ever see such wickedness again."

Just before he died he saw his darling Maida standing in the room just a little above him. His face lit up and he cried, "Hon, Honey!" and lapsed into a coma. She had come for him as she had promised two years before as she lay dying. She had said, "Hon, I am dying and I will wait for you in heaven."

Dear Mr. Oyler:

I have been informed that you are doing research on the surname OYLER. My great grandmother was Mary Catherine OYLER, daughter of Lewis and Mary Catherine (RUPE) OYLER. She was born 13 Oct 1830, Virginia; married Bennet STRAIT (my great grandfather) 14 Apr 1850, Wabash Co., IN. She died 11 Aug 1858, Harrison Co. MO. Her father, Lewis OYLER was born CA. 1800, Virginia and died 10 Apr 1856. Her mother, Mary Catherine RUPE, was born 19 Nov 1798, Virginia and died 26 Jun 1875.

9956

A letter written by an aunt of my father's states that Lewis OYLER's father was Gerhardt, however LDS Archive family group sheet records identify Lewis' father as Valentine, which coincides with records I am advised you have.

The following is what I was given:
Conrad OYLER, born 1690, Germany; died 1751, York Co., PA
Valentine OYLER, born 1722, Germany; died 1790, York Co., PA
Valentine OYLER, Jr., born 1754, York Co., PA; died 1825, Franklin Co., IN
Frederick OYLER, born 1785, MD; died 1866, Marion Co., TN
Daniel OYLER, born 1806, Marion Co., IL; died 1881, AL
James OYLER, born 1843, DeKalb Co., AL; died 1926, Christian Co., IL

Do you have any information regarding a Lewis OYLER, born CA. 1800, Virginia?

I have checked the 1810 index to the 1810 census and found two Valentines listed. I assume the older of the two was probably your Valentine, Jr.?

I am enclosing a SASE for your reply and will be willing to pay for any copy costs that may be incurred.

Sincerely,

Richard F. Strait

Mr Lewis R Oyler
PO Box 1376
Marion Indiana 46952

Dear Lewis:

8689

Thank you so much for the information about your family from Lewis and Mary Roupe Oyler to your self. Lewis was a younger brother of my great-great grandfather Frederick Oyler, who was born in Frederick Co Maryland about 1785, as Valentine and Mary Molly Arndt Oyler were moving South from Penn, they lived a short time in Maryland, before moving on South to Franklin Co Va about 1788.

I have now written, or talked on phone, or seen descendents of the following brothers and sisters of Lewis and Frederick:

8550 8551

Elizabeth Oyler who married John Dame about 1808 in Franklin Co Va and moved to Marion Co Tenn about 1813, with my great great grandfathhr Frederick and his wife NancyCochran Oyler, I have contacted several of Daniel Oyler's descendants, he was born in 1792 in Franklin Co. Carey Oyler at Flora Indiana is one of their descendants. I have talked to several more Oylers who lived all over the west wh are descendants of Daniel. Recently I found another descendat of the oldest Oyler by the name of John who was born in Pa in 1781, another in Virginia a descendat of Daniel,

8752 8863

My line from Frederick who moved to Marion Co Tenn and had about 7 children cames by a Daniel Oyler my great grandfather born in 1816 in Marion Co Tenn, moved to Dekalb Co Ala about 1837 where he and his wife had total of 14 children, one was My grandfather James Mon roe Oyler born 1843. James and 4 brothers, and his father Daniel all were in Company H Georgia 21 st Volunteer infantry, which served in Virginia mostly during the civil war.

After the war, my grandfather and two of his brothers came to Taylorville in Christian Co ,Il about 30 miles Southwest of Decatur where they all eventually owned farms, We used to have an annual reunion from these 3 brothers which started back in 1928, as result of my grandfather dying in 1926 and his two brothers dying in 1930, these reunion went on from 1928 to 1954 when most of our family moved away from Christian Co Ill.

Mrs Carey Oyler from Flora Indiana, called me just 2 days ago and invited me to attend their reunion on Sunday July 18 in Flora, I hope to go, is there any chance you or some of your family could attend, as you all are descendants of Lewis Oy ler, they are descendats of Daniel and I am descendant of Frederick.

I have about 600 to 700 pages of information on our family that I have been able to secure from many nice relatives like you, plus some of my own research, would be wonderful if all of us together could afford to have a book printed to cover all of our family but unfortunately the cst is too much, however I am going to send you my line from Conrad the original immigrant to myself or 8 generations

Appreciate your comments or questions any helps.

Sincerely

"THE OYLER HISTORY"

36463

Written by Ellen M. Reed - 1959

The Oyler history has been partly recorded in the "History of Wabash County, Illustrated 1884". Parts of the following were taken from it. Pages 467, 480, 484, 489. Edward Oyler helped also.

9955 9956

Lewis Oyler was born in Franklin Co. Virginia in 1800. He died April 10, 1856. Mary (Rupe) Oyler, wife of Lewis Oyler was born in Virginia, Nov. 19, 1798, died June 26, 1875. Both are buried in the old section of the Ogan Cemetery, just north of the Mississinewa river on St. Road 13 in Wabash County, Indiana.

9959 10125

They were the parents of 6 children. Wiley, who died an infant. 9957 Henry Oyler and John Valentine Oyler, Lucy Oyler Akers, Paulina Oyler 10121 Shortridge and Catherine Oyler Strait. 9999

Lewis Oyler came with his family to Randolph County, Indiana, in 1833. They came with a three horse team and wagon and settled in the Clayton neighborhood west of Winchester, Indiana, but stayed a very short time. He came to the town of Lagro in Wabash County in 1834 and worked on the Erie Canal. After a few years they moved to Miami County near Peoria and the Indian village. He was a very good friend of the Indians and was a friend of Frances Slocum.

On April 5, 1840, Lewis Oyler built his cabins on his farm in Waltz Township, Wabash County, Indiana, just north of Somerset on Sec. 21, Twsp. 26, Range 6. With the help of several men from Miami Co. a group of 8 men made 2 cabins in one day. The logs and poles had been cut and hauled to the ground, the clapboards and floor-puncheon had been prepared and brought to the spot. The 8 men notched the logs, raised them and built the cabins, putting on the ribs, weather-boards, the weight-poles, etc. The four "corner-men" had to come down every time and help notch and raise the logs since there were only four men beside the corner men and four men could not do it alone. As there were not enough settlers in the neighborhood to raise the cabins, the friends from Miami County came. They walked from Peoria following the river to the farm where they were clearing the land and getting it ready for the cabins, going home each day. John V. Oyler was a boy at that time walking also. He slipped and fell on a hill and hurt his leg. It left him lame and he always walked with a cane.

The cabins were built just above the old spring to the northwest. The spring is still the only source of water after 119 years, but has been piped into the house now standing, which was built in 1880 a little south west of the log cabins. There is a large bank barn east of the spring by the creek, called "goose creek".

Cora Akers Ewing and Edward Oyler are the last 2 grandchildren living of Lewis and Mary Oyler at this time June 1, 1959, as far as known. Most of the Oyler families are buried in the Ogan Cemetery.

10125 41310 41317

Lucy Oyler Akers was the mother of Mrs. Nettie Albers, Mrs. Cora Ewing and Orange Akers. 41314

10121

Paulina Oyler Shortridge was the mother of John and La whee Shortridge and Dr. Rosetta Shortridge.

9957 Henry Oyler never married and died out west.

As he had injured a leg when a boy and always walked with a cane, his parents called him sickly and didn't send him to school. He helped to clear and work the farm with his father. When he married he still lived on the home place and all his children were born there as were all his son Edward's children born there also.

Eph. 4:11 "And He gave some, . . . evangelists; and some, pastors, and teachers."

March, 25, 1982

Dear Mr. Oyler:

Thank you for the good and informative letter of March 17.

A few years ago Ellen (Oyler) Reed put this 36464 history together. Ellen is a daughter of Edward 9997 Oyler the youngest son of John Valentine Oyler. 9959

Two names in your record "Valentine" and "Lewis" are also in the history we have. It would seem to me there is a connection of ancestors.

A number of years ago, according to my father, an Oyler from Russiaville, Ind. (near Flora) met John (V. or R) Oyler on the street and saw a great similarity in looks. I'm not clear of the details of it but that is the essence.

I guess the best way to compare notes is to get together personally.

Kathryn (Oyler) Kem was in Germany last Oct. 36467 and while in Frankfurt she looked in the phone book and found the name "John Oyler". She did not phone him because she feared he spoke German and she did not.

My Oldest brother, Lewis, while working for Price-Waterhouse (CPA) out of Chicago about 25 yrs. ago was in Penn. and saw on the cabs of semi-trucks - "Oyler Trucking Co" They hauled steel.

Maybe arrangements could be made for you to talk to my father. He'd know most of our background.

Sincerely,

Myron Oyler

Dear Mr. Oyler,

My mother, Marjorie 9993 Kepner, suggested I answer your request for information pertaining to her branch of the Oyler family since my husband and I are most interested in genealogy.

I would appreciate very much receiving the data you have compiled thus far on the Oyler family and any documentation thereof. Mother and I are most surprised that the name is German as we had always believed the family came from England originally.

Thank you in advance for sending me the Oyler background sheets and I hope the information we have enclosed, which is accurate to the best of our knowledge, will be of value to you.

Sincerely,

Jeanne K. Pearson 9995

My great-great grandfather Frederick Oyler, was born in Maryland according to one source, that is the 1850 and 1860 federal census of Marion County Tenn. The 1850 census listed he and his wife Nancy both as age 65, he born in Maryland and she born in Virginia.

An application for a land grant made by him in 1855 while resident of Marion Co Tenn shows his age as 66 at that time. If this were true he would have to been born in Virginia as his parents moved to Virginia about 1788

In the displays following, shows where he and his father inlaw Samuel Cochran had made application for marriage license in 1808, also included is contract made October 1, 1810 in Franklin County Virginia between Frederick Iler and his brother inlaw John Dame for purchase by Frederick from John a tract of land.

Frederick and Nancy's first child 8748 must have been Mary 8690 or "Polly" as she was born in 1812, John Oyler, was born 1813, the census shows he was born in Virginia, so they must have moved to Marion County about 1814 as their next son Frederick Jr was born about 1814, and records show he was born in Tenn. 8750

What puzzles me, was why Frederick was listed as member of 43Regt of the Virginia Militia under Lt Cassimer Cabaniss's Company in 1815, if he was living in Tennessee. I have included here records from the National Archives in Washington that he served in the Virginia Regt from January to February 1815.

I have included in the pages following several copies of court records from Marion Co Tenn showing land purchases and sales, being appointed as administrator for his grandchildren, operation of a ferry over the Tennessee river in 1842, and finally the record of the sale of his land in 1868 after his death.

In various court records, we determined that he at one time or another owned about 1,400 acres of land.

I was assisted considerably by two of my cousins Elizabeth Bell of Sequatchie Tenn and William W Oyler, who at that time lived in Chattanooga, in research records. 23023?

Of the 8 children that we believe Frederick and Nancy had, I have been able to get in touch, or learn something about 7 of them. The one I still do not know anything about is Valentine Oyler who was listed in the 1850 census with Frederick and Nancy as having been born about 1829

The 1830 census showed they had 8 children 9137

Know all men by these Presents that We Frederick Oyler and Samuel Cockran are held & firmly bound unto his Excellency Wm H Cabell Esqr Governor or Chief magistrate of the Com Wealth of Virginia in the sum of one hundred & fifty dollars to which Payment well & truly to be made to the said Governor and his successors for the use of the said Com. Wealth, We bind ourselves and each of us our and each of our heirs Executors & admrs jointly severally firmly by these Presents sealed with our seals & dated this 10th day of November 1808

The Condition of the above obligation is such that whereas there is a marriage shortly intended to be have Solemnized between the above bound Frederick Oyler and Nancy Cockran Now if there shall be no Lawful cause to obstruct the said marriage then the above obligation to be void else to remain in full force

Dear Monroe:

Please forgive the delay. I had some prior committments that I had to get out of the way before I could start on the Oyler/Barnes data. I think I finally have it all together, and I suppose that someone will retype the manuscript, before it goes to the printer. I am looking forward to receiving it. You can put us down for one, I'll have to check with Jack's two sisters to see if they would like to have a copy for themselves.

I have my family groups on computer, it is easier for me to get printouts of them rather than type them on regular forms. I am sending you printouts, basically they are the same, the print is a little different.

Good luck, and I hope that the book gets a good reception, I know it is a labor of love, but, still making expenses is very important.

Let us hear from you,

Cordially,

Eve

DESCENDANTS OF 8690 MARY OYLER AND 8691 THOMAS BARNES

Mary, daughter of ~~8~~ 8687 Frederick and Nancy Cochran Oyler was born about 1813 in Franklin County, Va. She was married to Thomas E. Barnes about 1845 in Marion County, Tennessee.

Thomas was the son of 38970 Thomas and 38971 Alice Bohannon Barnes. Alice was the daughter of William Bohannon (1730-1816) and Judith, his second wife. 38972 Alice was born 23 January 1779 in Henry County Virginia and died at the birth of her youngest son, Thomas 8691 White Co. Tennessee.

38970 Thomas Sr. was born about 1777 in South Carolina (ref:1850 census for Tennessee) and married Alice 21 June 1798 in Knoxville, Tennessee. He was a farmer and owned land in White and Jackson Counties, Tennessee. This land he left to his four oldest sons in his will dated 13 March 1851. He died 18 May 1851 in White County. He left eighteen children, nine by his second wife Mary Strein. His youngest child lived to be 87 years old dying in 1930 in Putnam County Tennessee.

8691 Thomas Jr was his youngest son by 38971 Alice Bohannon, he was born 14 August 1819 in White County Tennessee and died before 1870 in Sharp County Arkansas. He and Mary Oyler moved their family to Lawrence County Arkansas about 1858. He made a cash entry to 120 acres in 1859 for $15.00. This land was disposed of in 1873 by his heirs after the death of their mother, Mary, in 1873.

In 1861 Thomas volunteered in Captain Perry Clayton's Company Arkansas Infantry for 30 days duty, however he was sent home after 15 days due to illness. Fountain Rodgers, George W. Rodgers, Jeremiah D. Rodgers Sr. and Jr. also enlisted in this company. (Ref: MUSTER LISTS OF THE ARKANSAS CONFEDERATE TROOPS) Volume I by Sherman Lee Pompey, published by the Historical and Genealogical Publishing Company, Box 523, Independence, California 93526.

Thomas and Mary had four children, 8745 Sarah married 38945 Ozias Denton, 8746 Nancy married 38947 George M Foreman, 8743 John married 8744 Louisa Spurlock, and 8747 Mary married 38976 W.F. Foreman.

John Barnes and Louisa daughter of 38977 John Spurlock and 38978 Nancy Ann Lingo, were married about 1872 in Sharp Co. Arkansas. In the latter part of the nineteenth century they moved their family to Texas, settling in Rockwall County. John followed his fathers lead and became a farmer, which he remained for the rest of his life.

John went to Oklahoma for awhile and homesteaded land, but, giving that up he returned to Texas. About 1905 he returned to Oklahoma and settled near Headrick in Jackson County. He spent the rest of his life in Oklahoma, dying in September 1932, Louisa had died in April of that same year. He had helped unload a wagon of baled hay and collapsed and died about 6:00PM.

38979 William Elias, the oldest son of John and Louisa, was born in 1874 in Sharp County Arkansas. He married 38998 Hattie Davidson, daughter of Jasper Newton and 38499 Deborah Marsh Davidson the 23 October 1898 in Kaufman County Texas. They moved with John and Louisa to Oklahoma where their first son John Newton was born 11 December 1906 in Headrick. He joined two older sisters, Mamie Gertrude, born September 1899 and Thelma Hazel born October 1902, who were born when their parents lived in Rockwall County Texas.

Hattie died in March 1911 at the birth of her twin sons, Wilmer and Chester.

page 2. MARY OYLER AND THOMAS BARNES

She is buried in a churchyard cemetery near Humphreys, Jackson County Oklahoma. Today, 1981, there is no longer a church there and the cemetery has been neglected and no longer in use.

903 John Newton, great grandson of Thomas and Mary, is called Jack by his family and friends attended local schools and at the age of 21 joined the U.S.Navy. After 6 years he was discharged and returned to Wichita Falls, Texas, where he met and married Eva Pauline Berrier, daughter of Oscar Franklin and Gladys 39005-6 Ruth Cowardin Berrier, daughter of William Jacob and Helen Hosford Cowardin. 39008 Eve was born in April 1918 and married Jack in 1936. 39007

313-39003 Jack went into the U.S.Immigration and Naturalization Service in 1937 and was stationed on the Mexican border in Douglas, Naco, and Nogales Arizona. When WWII broke out he reinlisted in the Navy and was stationed in San Diego, California in the Shore Patrol. He returned to duty with the Immigration Service in 1946 at Nogales, Arizona. Later he was transferred to California where he was stationed in San Francisco from 1947 to 1949, San Diego 1949 to 1951 and Los Angeles 1951 to 1973 when he retired.

Jack has been a member of the Masonic Lodge for 50 years and in 1950 he became a thirty-second degree Mason in the Scottish Rite, at San Diego, California.

Jack and his wife Eve have two daughters, 47708 Patricia Kay and 47709 Susan Diane, six grandchildren, Patty Kay, Paula Kathleen and Christopher Lee Sutton children of Pat and her husband Roy Lee Sutton. Susan married Bruce Mark Karst and have three boys, Andrew John, Matthew Elias, and Joshua Edward. Patty Kay Sutton married Daniel Thomas Grunkemeyer and have Christina Kay, Daniel Thomas Jr. and Anthony Roy, great grandchildren of Jack and Eve.

Jack has become an amateur radio enthusiast and spends his time at that pleasant pastime when he isn't gardening or playing an occasional game of golf, he assists Eve in her favorite pastime of genealogy.
